RUKIA

RAMADHANI BUTENGE

Education Leader | CEO | Project Manager | Digital Skills Trainer
Girls' Rights Advocate | Safe Schools | Outreach & Digital Inclusion

PROFESSIONAL PROFILE

Education leader, co-founder and Chief Executive Officer with experience in school leadership, project management, digital skills training, ICT teaching, STEM supervision and community outreach. A committed advocate for girls' rights, safe schools and youth empowerment, especially for girls, she promotes protective, inclusive and Confidence-building learning environments through Shule Salama and related initiatives. She raises awareness about digital inclusion and actively supports girls with disabilities so they are not left behind, mentoring them to participate confidently, take visible roles and feel equally valued alongside their peers. Skilled in coordinating education and technology programs, supporting teachers to use interactive digital tools and promoting digital entrepreneurship for children. Combines classroom expertise with strategic leadership, advocacy, innovation, partnership engagement and practical program delivery.

HIGH-IMPACT COMPETENCIES

- Executive leadership and co-founding
- Project planning and delivery
- ICT teaching and digital literacy
- Teacher training and capacity building
- School data analysis and reporting
- STEM supervision and learner mentoring
- Girls' rights advocacy and safe schools
- Youth and girls' empowerment
- Disability-inclusive digital access
- Outreach and stakeholder engagement
- Digital entrepreneurship education
- Technology integration for teaching

SELECTED VALUE PROPOSITION

- Brings together education leadership, corporate leadership, project management and digital innovation.
- Experienced in guiding teachers, learners, schools, foundations and technology-focused programs.
- Translates digital tools and emerging technology into practical classroom and community solutions.
- Advocates for girls' rights, safe schools and youth empowerment, with particular attention to girls' confidence and participation.
- Promotes disability-inclusive digital participation so girls with disabilities can learn, contribute and lead alongside their peers.
